## **Associated Land Management Ltd**

### **Terms of Trade - Wholesale Sales**

Wholesale sales are restricted to trade sales only. Minimum sized orders may apply.

We encourage all customers to collect wholesale stock from our nursery to both check quality and to pay for the stock prior to dispatch.

New customers are required to pay in full on the first order at least.

In any circumstances where credit is provided by ALM Ltd:

- Any order will be assessed on its merits. Assessment will include the customers prior purchase history, prior payment history, reputation and standing within the industry, size of order, perceived risk to ALM Ltd, and any other factors considered relevant.
- Any and all stock made available on credit remains the property of ALM Ltd until paid in full by the customer.
- Accounts are to be paid in full within 2 weeks of receiving an order.

We endeavor to maintain good relations with wholesale customers. Prompt paying customers tend to receive stock promptly. Slow paying customers tend to receive stock slowly if at all.

In our observation of selling wholesale plants over many years within the industry, garden centres and nurseries that go broke almost always do so because they have a supply problem with their suppliers. Protect your suppliers as much as your own business and your suppliers will help your business grow.
